

CORPORATE SPONSORSHIPS

The Saratoga NFL Flag Football league is a volunteer-based, non-profit 501(c)(3) organization teaching sportsmanship, character building, and football fundamentals to boys and girls throughout Saratoga County.

This would not be possible without your support.

Please support our league for the 2023 season. Enjoy the benefits of contributing to this great organization as we unite together to create a strong bond throughout Saratoga County. We are working diligently to reserve our field costs and referee fees for our 2023 season. Many volunteers within our community are working hard towards this goal, but additional resources are needed to purchase field equipment, insurance, and provide scholarship programs. As the season is rapidly approaching, Saratoga NFL Flag Football is in need of sponsorships from businesses like yours!
