6. Exception Rule: The only exception to the Two-player protection rule would be siblings. ie) coach #1 has two players which are siblings, coach #2 has 1 child resulting in 3 total players protected for the team.
7. Competitive Adjustment: Teams which have protected multiple assessed first round draft picks will be competitively adjusted by forfeiting their third and fourth round picks. If additional players are protected via the exception rule in which that player is assessed higher than the round taken, the team will forfeit their next round pick.

III. Officials

The League will use paid officials to referee games; however, Pre-K – K teams will generally use student volunteers as referees or may not have referees at all.

The League will do its best to supply a Senior Official, Junior Official and Linesman for each game pending available resources.

Coaches are not permitted to interact with the Junior Officials to question, influence, guide, or dispute any calls.

An adult supervisor or Senior Official will be available to handle these questions or challenges. The coach may explain their position to the supervisor and request that the supervisor discuss the call with the Officials and render a decision.

A coach will be given one warning if they display negative behavior toward an Official. A second incident will result in removal from the game and the premises.

IV. Field

1. Field dimensions.
 - a. 35 yards wide by 70 yards with two 8-yard endzones.

No Run zones are located five yards to the endzone in the offense's direction. **This rule applies ONLY to the 5-6 and 7-8-9 Divisions.**

2. No-run zones are in place to prevent teams from conducting power run plays. While in the no-run zones (a 5-yard imaginary line before the end zone), teams cannot run the ball in any fashion. All plays must be pass plays, even with a handoff.
3. Stepping on the boundary line is considered out of bounds.
4. Each offensive team approaches only ONE no-run zones in each drive (one zone 5 yards from the goal line to score a TD).

V. Timing and Overtime

Regular Season Games are played on a 50-minute continuous clock with two 25-minute halves, unless one team gains a 35-point advantage which will end the game unless teams agree to continue without changing the score. The clock stops for halftime, injuries and at the officials' discretion.

Halftime is 5 minutes.

Each time the ball is spotted a team has 40 seconds to snap the ball.

Each team has one 60-second timeout per half. They do carry over.

Officials can stop the clock at their discretion.

In the event of an injury, the clock will stop and then restart when the injured player is removed from the field of play.

If the score is tied at the end of the regulation, an overtime period will be used to determine a winner.

Overtime format is as follows:

Home team calls the toss to determine the team that chooses to be on offense or defense first.

If a second round of overtime must be played, the team that lost the coin toss will get to choose offense or defense for the start of the second round of overtime. This process continues with teams alternating who gets to choose to be on offense or defense to start out during every round of overtime.

The referee will determine which end of the field the overtime will take place on.

Each team will take turns getting one (1) play from the defense's 5-yard line for one point or the defense's 10-yard line for two points. Whether to go for one or two points is up to the offensive team. Whether or not the team that begins on offense converts, the team that started on defense gets a chance on offense to win or tie by converting a one- or two-point play of their own.

Example: Team A starts on offense and chooses to go for one point from the

5-yard line and is successful. Team B is then on offense and can choose to either go for one point from the 5-yard line to tie and force a second round of overtime or to go for two points from the 10-yard line for the win.

If the second team on offense in an overtime round fails to beat or match the team that went first, the team that went first wins.

Starting with the 2nd overtime, both teams must "go for two" from the 5-yard line.

Starting with the 3rd overtime, each team will get 1 play from the 5-yard line going out from the endzone. The team with the most yards will be the winner. The team with the most yards will be awarded 1 point added to their final score.

Final Score will be recorded to include all points scored for each team.

All regulation period rules and penalties are in effect.

There are no timeouts.

Interceptions are returnable in OT, and worth 2 points.

Interceptions returned for a score in the first or second overtime period, the game is over.

VI. Scoring

1. **Touchdown:** 6 points
2. **PAT** (point after touchdown) **1 point** (5-yard line) or **2 points** (10-yard line)
 - a. Note: 1 point PAT is pass only; 2 point PAT can be run or pass
 - b. Interceptions returned for scores during regular game play are worth six points, conversions or overtime are worth two points
3. **Safety:** 2 points
 - a. A safety occurs when the ball-carrier is declared down in his/her own end zone. Runners can be called down when their flags are pulled by a defensive player, they step out of bounds, their knee or arm touches the ground, a fumble occurs in the end zone or if a snapped ball lands in or beyond the end zone. A sack or seven second rule in the end zone.
4. A team that scores a touchdown must declare whether it wishes to attempt a 1-point conversion (from the 5-yard line) or a 2-point conversion (from the 10-yard line). Any change, once a decision is made to try for the extra point, requires a charged timeout. A decision cannot be changed after a penalty.
5. The coaches, officials and scorekeeper must verify the score sheet. If a coach does not verify the score sheet before leaving the field, the scorekeeper will note on that score sheet and the score will be FINAL.

VII. Coaches

Fans / Parents / Ejection

If a fan/parent gets ejected from a game they must leave the facility. They will not be permitted to attend the next game on the schedule.

VIII. Live Ball/Dead Ball

1. The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
2. The official will indicate the neutral zone and line of scrimmage.
 - a. It is an automatic dead ball foul if any player on defense or offense enters the neutral zone. In regard to the neutral zone, the official may give both teams a “courtesy” neutral zone notification to allow their players to move back behind the line of scrimmage.
3. A player who gains possession of the ball in the air is considered in bounds as long as the first foot or a body part other than the hand contacts the ground in the field of play with possession.
4. The defense may not mimic the offensive team signals by trying to confuse the offensive players, while the quarterback is calling out signals to start the play. This will result in an unsportsmanlike conduct penalty.
5. Substitutions may be made on any dead ball.
6. Any official can whistle the play dead.
7. Play is ruled “dead” when:
 - a. The ball hits the ground.
 - i. If the ball hits the ground as a result of a bad snap, the ball is then placed where the ball hit the ground.

If an inadvertent whistle is blown the offensive team may choose to take the ball at the spot of the whistle and play the next down or replay the down from the original line of scrimmage.

Coaches Challenge

9. A team is allowed to use a timeout to question an official’s rule interpretation. This has to be done prior to the next snap/down and has to be communicated to the head official.
10. If the official’s ruling is correct, the team will be charged a timeout. If the rule is interpreted incorrectly, the timeout will not be charged and the proper ruling will be enforced. Officials should all agree upon any controversial call in order to give each team the full benefit of each call.
11. Officials should all agree in order to change a call on the field that is in dispute
12. Officials should resolve all disputes as interpreted by the rule book. If needed a board member may be called for further clarification.

Note: The Head Official of the game makes the Final Call.

IX. Running

1. The ball is spotted where the ball is when the flag is pulled.
2. The quarterback cannot directly run with the ball. The quarterback is the offensive player who receives the snap.

(Reminder: Each offensive team approaches only ONE no-run zones in each drive – one 5 yards from the goal line to score a TD).
6. Runners are not permitted to dive or hurdle any player while advancing the ball.
7. If a team runs the same player on two consecutive downs the defense can take the play as is or it will be considered a loss of down and the ball will be placed at the original line of scrimmage.
8. Ballcarriers may leave their feet and the play will continue for spinning, jump cuts, QB’s passing progression or if there is a clear indication that he/she has done so to avoid a collision with another player and the play will continue without stoppage. However, if while leaving the ground, contact is made unnecessary roughness penalty may be enforced by the official.
9. Flag obstruction – All jerseys MUST be tucked in before play begins. The flags must be on the player’s hips and free from obstruction. Deliberately obstructed flags will be considered flag guarding.

 - c. The quarterback may throw the ball away to avoid a sack. Pass must go beyond the line of scrimmage.
2. The quarterback has a seven-second “pass clock.” If a pass is not thrown within the seven seconds, the play is dead, the down is consumed and the ball is placed at the spot of the foul. Once the ball is handed off, the 7-second rule is no longer in effect.
 - a. If the QB is standing in the end zone at the end of the 7-second clock, the result of the play is sack and a safety is called.

XII. Rushing the Passer

1. All players who rush the passer must be a minimum of eight yards from the line of scrimmage when the ball is snapped. Any number of players from behind the cone can rush the quarterback. Players not rushing the quarterback can defend from 3 yards of the line of scrimmage.
2. Once the ball is handed off all defenders may go behind the line of scrimmage.
3. A special marker, or the referee, will designate a rush line eight yards from the line of scrimmage. Defensive players should verify they are in the correct position with the official on every play.
 - a. A legal rush is:
 - i. Any rush from a point 8-yards from the defensive line of scrimmage.
 - ii. A rush from anywhere on the field AFTER the ball has been handed off by the quarterback.
 - b. A penalty may be called if:

 - ii. If the defence crosses the line of scrimmage the official throws a flag but the play will continue.
 - iii. The offense has the option to replay the down or decline the penalty.

Defensive players that leave their position and move inside the 8-yard blitz cone and rush the QB will be called for a penalty. The Offense will have the option to accept the penalty and replay the down or decline the penalty and keep the results of the down.
 - iv. If the offense draws the rusher(s) to jump the eight-yard marker prior to the snap of the ball, that rusher(s) CANNOT rush during that play. However, any other defender that is seven yards back may rush instead. Jumping the rush is not a penalty until the rusher crosses the line of scrimmage prior to the handoff or passed ball.
 - c. Special circumstances:
 - i. Teams are not required to rush the quarterback with the eight second clock in effect.
 - ii. Teams are not required to identify their rusher before the play.

2. Movement by a player who is set or a player who runs toward the line of scrimmage while in motion is considered a false start.

XV. Unsportsmanlike Conduct

Any player or team that does so, will be given a warning 1st if the behavior continues a penalty will be enforced that will result in the opposing team starting at midfield rather than the 10-yard line.

If a coach feels the game is going in a direction that is unacceptable, they are asked to call an official's timeout and ask for the board member on duty. That member will come to the field and help clarify or de-escalate the situation. The Officials can do this and either coach can do this.

All penalties will be assessed from the line of scrimmage, except as noted. (Spot fouls)

Only the team captain or head coach may ask the referee questions about rule clarification and interpretations. Players may not question calls.

Games or halves may not end on a defensive penalty unless the offense declines it.

Penalties are assessed live ball then dead ball. Live ball penalties must be assessed before play is considered complete.

Spot fouls in end zone: Defensive (Ball on one-yard line, first down)/Offensive (Safety)

With over 2 minutes remaining in the half, the clock will not stop for penalties unless signaled from the referee.

With under 2 minutes remaining in the half, the clock will stop on all penalty whistles & not resume until signaled by the referee.

Game Play Offense

To satisfy the throw requirement, the offensive player must attempt an overhand forward pass. Any overhand forward pass outside of the tackle box or across the line of scrimmage whether complete or incomplete satisfies the throw requirement. The offensive player may throw the ball out of bounds to satisfy the throw requirement. The tackle box is defined as two player width or 3 yards to each side of the ball or center position. Shovel pass does not satisfy a pass attempt. A sack of the QB is not considered a pass or run.

If the offense and defense both catch the ball simultaneously, possession goes to the offense at the spot of the catch. One foot in bounds is required for a completion.

No single player can rush/run the ball on two consecutive plays.

End of Down/ Downed Player

A defensive player pulls the ball carrier's flag.

If any offensive player drops the ball on any down: Down is complete at spot of drop. A drop is defined as losing control of once possessed football or an unsuccessful transfer of the ball between two players resulting in the ball touching the ground.

XVI.a. Saratoga NFL Flag Guidelines

In the Pre-K-K Division a team suffers a loss of down after two dropped hand-off attempts.

The offensive ball carrier falls

The ball carrier steps on or over the out of bounds line.

An incomplete forward pass.

If a player's flag falls off without being pulled, play continues until touched with at least one hand by a defensive player or remaining flag is pulled.

Running through or over a defensive player will result in the stoppage of play at the point of contact. (Roughing Penalty at discretion of Official)

Seven (7) Second Pass Rule

The QB is allowed 7 seconds from when the ball is snapped to attempt a pass. If the QB fails to attempt a pass in the allotted 7 second time frame, the QB will be considered "sacked" and the down will end.

RPO: If the QB hands the ball off to the RB or WR behind the line of scrimmage where the player receiving the hand off attempts to pass the ball, that player is still allowed the original seven (7) seconds from time of snap to attempt the pass. If after 7 seconds, the pass has not been attempted, the player still has the option to run the ball for gains.

Ball Spot

When de-flagged, a player is marked down where the flag is pulled (not the position of the ball). There is no forward progress granted after being de-flagged.

Exception: if the ball breaks the plane of the goal line before the flag is pulled the player is awarded a touchdown. On negative yardage situations, the ball is placed at the spot of the "flag pull". The ball is not returned to the original line of scrimmage. (This can be modified at the Pre-K-K level depending on game situation)

Substitution: Players can substituted at any time and play will resume as soon as the line is set.

Inadvertent Whistle: If an inadvertent whistle is blown the offensive team may choose to take the ball at the spot of the whistle and play the next down or replay the down from the original line of scrimmage, unless during the play there is a change of possession.

Offsetting Penalties: In the case of offsetting penalties, the play will be re-played from the original LOS. Offsetting penalties are penalties on each team for the same play.

XVI.b. Saratoga NFL Flag Guidelines

Illegal Procedure (Offensive & Defensive)

Defensive:

Blitz Cone Penalty/Illegal Rush: +3 yards from original line of scrimmage & replay of down.

Defensive players that leave their position and move inside the 8-yard blitz cone and rush the QB will be called for a penalty. The Offense will have the option to accept the penalty and replay the down or decline the penalty and keep the results of the down.

Offensive:

Quarter Back Run Rule: -3 yards from original line of scrimmage & Loss of Down.

If the Quarterback is the player receiving the snap of the ball from the center and runs the ball beyond the line of scrimmage for a gain, the play will be whistled dead, and the ball will be returned to the original line of scrimmage and the play will result in loss of down.

Consecutive Run Rule: -3 yards from original line of scrimmage & Loss of Down.

If a team runs the same player on two consecutive downs the defense can take the play as is or it will be considered a loss of down and the ball will be placed at the original line of scrimmage.

Note: for the purposes of this rule, if a pitch or lateral occurs within a play, the last player with the ball is deemed the runner. A player is deemed the runner if they receive a pitch or handoff from the QB, or subsequent lateral, and does not throw the ball.

False Start or Illegal Motion: -3 yards penalty on the offense or the defense can decline the penalty and accept results of play.

Flag Guarding: -3 yards from spot of flag guarding.

Ball will be marked down at the spot of the flag guarding. If done multiple times by the same player, it may be considered unsportsmanlike conduct and considered for a loss of down.

Pass Rule-Minimum: -3 yards from original line of scrimmage & loss of down.

If offense fails to meet Pass-Rule requirements, they will be assessed a penalty enforced as a loss of down and -3 yards.

A violation of this rule results in a replay of the down for Pre-K-K & 1-2 Divisions.

A loss of down will be enforced for 3-4, 5-6 and 7-9 Divisions.

Return Team: Interception Penalty - Live Ball Penalty If a penalty occurs on the return team during an interception return, the ball will be placed on the side of the field (10-yard line or midfield) where the penalty occurred.

Illegal Run: -3 yards from the original line of scrimmage and loss of down

Anytime the offense runs the ball inside the "no run zone"

Diving: -3 yards from the original of scrimmage and replay the down

XVI. c . Saratoga NFL Flag Guidelines

Offensive Penalties:

Delay of Game: -3 yards from original line of scrimmage & loss of down

A 40 second play clock is always in effect. If a team delays beyond a minute, the clock stops, loss of down & yardage will be enforced. Game clock for penalty will be started on the spot of the ball for anything outside the 2-minute warnings. Anything inside of 2 minutes before the half or end of game, the game clock will be started when the referee signals the clock to start.

Offsides/False Start/Illegal Motion or Illegal Situation: -3 yards from original line of scrimmage, replay the down.

Holding/Illegal Block: -3 yard penalty from original line of scrimmage and replay the down.

Any flagrant acts will be considered as Unnecessary Roughness or Unsportsmanlike Conduct as deemed by the Official

Intentional Grounding - Standard NFL Intentional Grounding Rules apply. A receiver must be in the vicinity of an attempted pass for a valid pass attempt. Penalty is loss of down and pass attempt does not satisfy towards throw requirement.

Illegal Forward Pass: -3 yards from original line of scrimmage & Loss of Down

Any pass or pass attempt after crossing the line of scrimmage.

Pass Interference: -3 yards from original line of scrimmage and Loss of Down.

Defense may decline and take the results of the play.

Illegal Touching - Loss of Down and replay from original line of scrimmage.

If a player illegally goes out of bounds, comes back in, and then catches the pass. This penalty does not comprise a loss of yardage, but the offense loses a down. If a player goes out of bounds and catches the pass out of bounds, it is ruled an incomplete pass.

Illegal Substitution/Too Many Players on the Field: -3 yards from original line of scrimmage and a loss of down.

A penalty will be called if the number of players in the huddle exceeds the maximum allowed for the offense on the field at that time (ie. in a 7v7 game, this would be called when the offensive team breaks the huddle with 8 or more players).

Personal Foul: Unnecessary Roughness: -5 yards from original line of scrimmage and loss of down.

If the penalty occurs on 4th down, the result will be a turnover on downs.

Charging - Offensive ball carrier must attempt to slide or avoid contact with opposing defender and may not make forward contact by running through said defender.

Any lowering of the shoulder to initiate contact and/or malicious contact will be enforced as an unsportsmanlike conduct penalty and not unnecessary roughness.

XVI. d . Saratoga NFL Flag Guidelines

Offensive Penalties:- Contd:

Offensive Unsportsmanlike Conduct - Loss of Down.

Ball will either be placed at 10 yard line or midfield, depending on where the last snap occurred. The offender will be issued a 5-minute off-field penalty.

Any unsportsmanlike conduct/behavior such as, but not limited to, taunting, excessive celebration, vulgar language, poor body language, lack of sportsmanship (ie. throwing equipment, disrespectful hand gestures, arguing/complaining to officiating crew, etc.)

Receiving two Unsportsmanlike Conduct penalties (players and/or coach) occurring in the same game will result in disqualification for the remainder of the game, plus any additional disciplinary action from the Saratoga NFL Flag Football League. All final outcomes and decisions are left to board review.

The ball will be placed at the offensive's own 10-yard line if the play began before mid-field in the offensive zone.

The ball will be placed at mid-field line if play began after mid-field line in the defensive zone.

Penalties will be assessed half the distance to the goal yardage when the penalty yardage is more than half the distance to the goal (ie. if the ball is within the 10-yard line of the end-zone, the ball will be placed half the distance to the goal).

XVI. e . Saratoga NFL Flag Guidelines

Defensive Penalties:

Holding/ Illegal Block: +3 yard penalty from the original line of scrimmage and replay down or offense may choose to decline and take result of the play.

Any flagrant acts will be considered as Unnecessary Roughness or Unsportsmanlike Conduct as deemed by the Official

Intentional Pre-Mature Flag Pulling: +3 yards from the spot of the foul & automatic first down.

If a defender pulls the flag of an intended receiver before the ball is caught by the offense.

If a defender pulls a flag of an offensive player (not the intended receiver or runner) and that offensive player later possess the ball in the play, he shall be declared down if a defender touches the ball carrier with at least one hand between the top of the shoulders and above the knees.

Offsides/Encroachment: +3 yards from original line of scrimmage or offense may decline penalty for result of the play.

Encroachment: *When contact is made prior to the snap with an offensive player after crossing the neutral zone the play will be blown dead immediately and yardage enforced.*

Pass Interference - Ball will be placed at the spot of the foul, and an Automatic first down.

This is awarded as an untimed down if the penalty occurs when time expires on the game clock.

If the penalty occurs in the end-zone, replay the down from the 1-yard line.

The same rules apply on a PAT attempt.

Illegal Touching:+3 yards from original line of scrimmage and automatic first down.

Illegal Touching: Any defensive player who illegally goes out of bounds and re-enters the field of play who is the first to make a play on the ball or any offensive player in possession of the ball.

If the Defense is called for too many players, the Offense will have the option to decline the penalty and accept the results of the play or accept the penalty.

Personal Foul: Roughing the Passer: +3 yards from original line of scrimmage & automatic first down. 5-minute out of game penalty enfo

Personal Foul: Unnecessary Roughness: +5 yards from original line of scrimmage & automatic first down.

Defensive Penalties:-Contd:

Defensive Unsportsmanlike Conduct:

Automatic first down. Ball will either be placed at 10 yard line or midfield, depending on where the last snap occurred. The offender will be issued a 5-minute off-field penalty.

Any unsportsmanlike conduct/behavior such as, but not limited to, taunting, excessive celebration, vulgar language, poor body language, lack of sportsmanship (ie. throwing equipment, disrespectful hand gestures, arguing/complaining to officiating crew, etc.).

All final outcomes and decisions are left to board review.

The ball will be placed at mid-field if the play began before mid-field in the offensive zone.

The ball will be placed at the defensive's own 10-yard line if the play began after mid-field in the defensive zone.

Penalties will be assessed half the distance to the goal yardage when the penalty yardage is more than half the distance to the goal (ie. if the ball is within the 10-yard line of the end-zone, the ball will be placed half the distance to the goal).

Saratoga NFL Flag Guidelines 2024

Game of Play

Offense

All offensive players must break the huddle to be considered eligible for the next play.

All players must start in a 2-point stance (no 3- or 4-point stances are allowed).

No Offensive Linemen will be used except for the Center snapping the ball. Players on the line are required to line up no closer than 3 yards to the Center.

The QB must begin play in the middle of the field with the ball held clearly in front of the body and visible to the defense.

The QB must use a cadence audible to all on the field for Pre-K-K only. All other divisions do not require a cadence audible to snap the ball.

The player receiving the ball (snap) from the center cannot rush/run the ball. The ball must be handed off after the snap to advance the ball beyond the line of scrimmage on a rush/run play.

Play begins when the Center snaps the ball to the QB or (Pre-K-K Division) the QB makes a football move. The QB must have sole possession of the ball to complete the snap.

The play starts with the ball on the ground in the centers hand or hands in clear site of the defense. Once the ball moves from the centers hand or hands, the play begins. Whomever receives the snap from the center is considered the QB for the play. Both feet of the player snapping the ball must be behind the line of scrimmage. The QB must have sole possession of the ball to complete the snap.

In the PreK-K Division, there are no snaps. The QB will begin with the ball at the line of scrimmage (LOS) or in a shotgun formation.

Only one offensive player may be in motion during a single play. All other players must remain set until the ball is snapped or the QB makes a football move.

Ball carriers may use spin moves to avoid their flag being pulled.

Flag Guarding, Stiff Arm and Leaping over defenders is not allowed to avoid de-flagging.

No diving allowed.

Offensive players must attempt to avoid contact with a defensive player that has established position.

Offensive players may lateral the ball (overhand or underhand) at any time during an offensive play.

Only one forward pass is allowed per down.

Blocking

All offensive players may block defensive players throughout the play. All blocking must be open hand, above the waist and to the shoulders/chest area.

A violation of this rule results in a replay of the down.

To satisfy the throw requirement, the offensive player must attempt a pass. A sack of the QB is not considered a pass or run.

Any overhand **forward** pass outside of the tackle box or across the line of scrimmage whether complete or incomplete satisfies the throw requirement. The offensive player may throw the ball out of bounds to satisfy the throw requirement. The tackle box is defined as two player width or 3 yards to each side of the ball or center position.

If the offense and defense both catch the ball simultaneously, possession goes to the offense at the spot of the catch.

One foot in bounds is required for a completion.

No single player can rush/run the ball on two consecutive plays.

End of Down/ Downed Player

A defensive player pulls the ball carrier's flag.

If any offensive player drops the ball on any down: Down is complete at spot of drop. A drop is defined as an unsuccessful transfer of the ball between two players resulting in the ball touching the ground.

In the Pre-K-K Division a team suffers a loss of down after two dropped hand-off attempts.

The offensive ball carrier falls.

The ball carrier steps on or over the out of bounds line.

An incomplete forward pass.

If a player's flag falls off without being pulled, play continues until touched with at least one hand by a defensive player or remaining flag is pulled.

Running through or over a defensive player will result in the stoppage of play at the point of contact. (Roughing Penalty at discretion of Official)

Exception: if the ball breaks the plane of the goal line before the flag is pulled the player is awarded a touchdown.

On negative yardage situations, the ball is placed at the spot of the "flag pull". The ball is not returned to the original line of scrimmage. (This can be modified at the Pre-K-K level depending on game situation)

Defense

The defense must be a minimum of 3 yards behind the line of scrimmage.

The defensive player must hold up the flag of the de-flagged offensive player and wait for a coach or Official to retrieve it for ball placement.

No stunting allowed.

Defensive player(s) that start behind the "Blitz Cone" can be blocked by the offense regardless of pass play or running play.

Defensive backs may cross the line of scrimmage outside of the tackle box after the ball is snapped if they do not go in the direction of the QB.

If the QB fakes a hand off, defensive backs cannot continue to rush in and must drop back into coverage.

All defensive players may drop back into coverage.

Defensive players allowed to rush the QB may block a forward pass but cannot contact the throwing arm of the QB. Hitting the throwing arm or knocking down the QB will result in a roughness penalty and replay of down.

All defensive players may cross the line of scrimmage once the ball has been handed off or the ball leaves the QB's hands.

There is no tackling. Defensive players may not forcefully contact an offensive player with open hands, shoulders or their head to force them out of bounds or knock them to the ground. They may not wrap up a player from behind and drag them to the ground.

No Stripping of the ball is allowed: Defensive players are not allowed to punch or strip the ball out of the hands of the offensive player.

Blitz Cone

A blitz cone will be placed 8 yards from the line of scrimmage and will be reset by the Official after each play.

Defensive players that leave their position and move inside the 8-yard blitz cone and rush the QB will be called for a penalty.

One or more players may be lined up behind the 8-yard blitz cone at the time of the snap and all have the option to rush the Quarterback. Blitzers may be blocked by Offense.

Turnovers

Turnover on Downs

A turnover on downs will result in the defensive team starting on their own 10- yard line. There are no punts.

Interceptions

The ball may be advanced on an interception. If the player advances the ball beyond midfield but fails to score a touchdown, the defensive team will gain possession at midfield.

If the player does not advance the ball beyond midfield, possession begins at the 10-yard line.

Fumbles/Drops

There are no fumbles.

The term “dropped”, “drop” or “drops” does not refer to an incomplete forward pass. A “drop” is when the ball contacts the ground during the snap, lateral or if a player who once had possession and loses possession of the ball.

A dropped ball, not including an incomplete pass, is placed at the spot of the drop. The ball cannot be advanced on a drop.

If a player drops the ball, not including an incomplete pass, in their own end zone, the result is a Safety.

If a player drops the ball, the ball cannot be recovered and advanced by either team.

Tackle Box Clarification for Defense:
